OUR RESIDENTS live a fulfilled life in mind, body and spirit and the home respects residents' freedom of choice and dignity. Our aim is to promote a way of life for service users the key principles below. We are top rated on the leading care site carehome.co.uk. As a member of the National Care Association & the Gold Standard Framework we need to maintain high standards at all times.

DEMENTIA CARE is our speciality. Acacia Lodge is a 32 bed residential care home running for over 40 years. We offer permanent and respite care, within a secure, hygienic and safeguarded setting. The home is in a unique position on a quiet road, set in attractive and spacious surroundings with beautiful gardens,

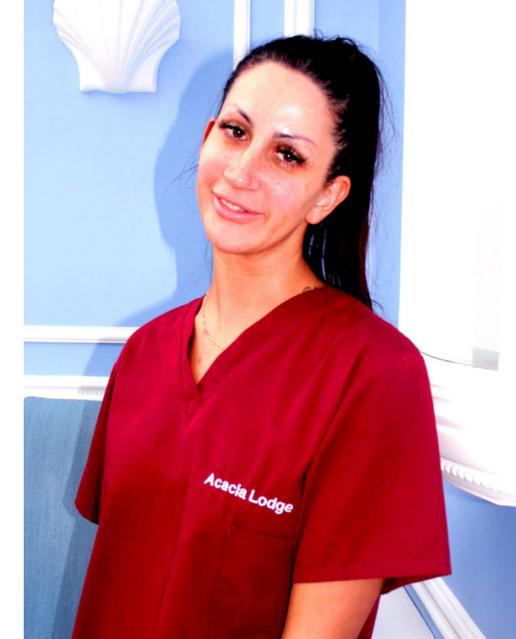

excellent transport links and many local shops and amenities Friary Park (10 mins) Woodside Park tube (10mins). We have a fully qualified manager on call. Our caring group of staff will be responsible for delivering and supporting residents' needs. Quality of life, comfort and person centered care is our central focus.

WE CARE FOR YOUR NEEDS

"From caring comes courage. My staff strive on value, hard work and dedication. As the manager for Acacia Lodge I follow four rules; Do the right thing, Do the best we can, always show people we care and show sincerity and integrity to our residents and staff"

FAY CARE HOME MANAGER

"As a hard working and loyal staff member I've cared for my residents for over 7 years. I'm always at hand to support their wishes and needs."

ANNA CARER

"I've been working at Acacia Lodge for 8 years. I'm passionate about my job and I love helping our residents with their daily routine."

VALERIE TEAM LEADER

We encourage residents to take part in daily activities both at the home and outdoors such as the parks and theatre. Our gardens and marquee are lovely in the summer and residents enjoy socialising and activities. Special events such as the summer barbeque, easter and christmas parties are popular and open to family and friends.

WE WELCOME VISITORS

"Dad is well looked after, always clean and always treated with dignity. Carers are always around to help and one carer also speaks his language which helps him a lot and he is happier being around them. I would like to take him out one afternoon for lunch or a church service which would also make Mum happy."
